TO THE EDITOR OF THE HERALD:—
In reference to the action of the Directors of the Hamilbal and St. Joseph Railroad Company, in increasing the capital stock, the following facts are presented:—When the new direction came into possession they supposed the property of far more value and in better condition than autienced the samination has proved.

A caronic survey and estimate was consequently made and it was decided that at least \$5,00,000 would be required it provide for the maturing obligations of a company at large portion of which sum would be necessarily dishursed during the present year. It would seem that the old Board of Directors had aiready contemplated the exigencies as early as February 2, 1871, when they provided by a new issue of stock the means by which the company could reduce the grades, make other improvements, and also cancel the obligations becoming due to the State of Massouri, under the following legislative enastment:—

An Act to amberize the Hamilbal and St. Joseph Railrowley. TO THE EDITOR OF THE HERALD: -

ive enactment:—

Company to increase its capital stock.
